Talent Acquisition Executive – IT Hiring

Northstar Talent Partners · Mysuru, Karnataka (On-site) · Full-time · 1–3 years · ₹3.5–6 LPA

ABOUT THE COMPANY

Northstar Talent Partners is an IT staffing and recruitment firm that hires software engineers for 30+ product companies and GCCs in Bengaluru, Mysuru and Hyderabad.

ROLE OVERVIEW

You will own end-to-end hiring for technical roles, from understanding the requirement to the candidate’s joining date.

KEY RESPONSIBILITIES

- Understand job requirements with hiring managers and write job descriptions
- Source candidates on Naukri, LinkedIn Recruiter and job boards using Boolean search
- Screen candidates on phone for skills, notice period, location and salary expectations
- Schedule and coordinate technical interviews
- Maintain the candidate pipeline in an ATS and share weekly hiring reports in Excel
- Negotiate offers and follow up until joining

MUST-HAVE SKILLS

- 1–3 years of end-to-end recruitment, preferably IT hiring
- Sourcing on Naukri and LinkedIn with Boolean search
- Candidate screening and interview coordination
- ATS usage (e.g. Zoho Recruit, Greenhouse, Darwinbox)
- MS Excel reporting
- Strong English communication

GOOD TO HAVE

- Campus hiring
- Offer negotiation and closing
- Understanding of tech stacks (Java, Python, cloud)
- HR analytics

EDUCATION

Any graduate; MBA/PGDM in HR is a plus.
